

Product Name :
Chicken Feet Cutting Machine

Product Code :
EQMH-CHINA-MY3014011

Description :

Chicken Feet Cutting Machine

Technical Specification :

Industrial Chicken Feet Cutting Machine

The machine has a high degree of automation, high production efficiency, good cutting effect.

It is operated very safely, easy to maintain and operate.

It also can cut other meat products.

The whole machine is made of stainless steel, high quality and more durable, long service life, low noise.

This machine includes two parts, conveyor part and cutting part.

As its high automation, it can save lots of labor and time.

Small Chicken Feet Cutting Machine

The machine adopts cavity type feeding device which has no damage to the claw.

It adopts the molding cutter, cutting accuracy, neatly, without adhesion, and producing no bone chips.

Gear motor is made of high quality and has little noise.

Feeding turntable is working through splitting precision transmission device accurate without error.

Feeding plate and punching parts move relatively by mechanical interlocking mechanism, driving permanent and stability without error.

The contact parts of material and machine are made in accordance with national food hygiene and keep the products clean.

Power
0.4kw/380v

Capacity
200-250kg/h
