

**Product Name :**  
Automatic Hamburger Patty Forming Machine

**Product Code :**  
EQMH-CHINA-MY3014016

**Description :**

Automatic Hamburger Patty Forming Machine

**Technical Specification :**

Automatic Hamburger Patty Forming Machine Advantages

It is made of stainless steel, conform to the hygiene standards, in line with HACCP standard, easy to clean.

High degree of automation, simple operation

Large output, high efficiency, stable quality

Multi-purpose, suitable for wide range raw material, rich products

It can work with sizing machine, powder machine, bread crumbs machine, frying machine, cooking machine, frozen machine, packaging machine into a fully automatic production line.

Power  
550W

Tank capacity  
30L

Production capacity  
35pcs/min

Bel  
130
