

Product Name :
Peanut and Almond Kernel Grading Machine

Product Code :
EQMH-CHINA-MY3016003

Description :

Peanut and Almond Kernel Grading Machine

Technical Specification :

The Characters of Peanut & Almond Kernel Grading Machine

Stable working condition.

Low damage rate.

Large capacity, high efficiency and exact grading process.

After grading, the big and small size kernels will be automatically separated from different discharging mouth.

Capacity: 1500-2000kg/h

Power source: 380v/220v/2.2kw
