

**Product Name :**  
Fish Feed Floating Machine

**Product Code :**  
EQMH-CHINA-MY3001034

**Description :**

Fish Feed Floating Machine

**Technical Specification :**

The floating fish feed machine come with enticing discounts and progressive inventions and technologies that incorporate all desired attributes.

To this effect, they make feed production processes easy and highly efficient according to your needs.

Manufactured from durable and strong materials, the floating fish feed machine offer you a long lifespan and consistent top-quality performance over a long period.

Installed Power(kw)	Power Consumption(kw)	Capacity(kg/h)
74	52	120-180
95	70	200-300
110	82	250-400
139	104	400-800
132	75	800-1200
165	90	1500-2000
469	380	2000-2500
712	570	3000-3500
