

**Product Name :**  
Floating Fish Feed Pellet Machine

**Product Code :**  
EQMH-CHINA-MY3001040

**Description :**

Floating Fish Feed Pellet Machine

**Technical Specification :**

Install Power	65KW	110KW	190KW	
Consumption Power	42KW	77KW	133KW	
Capacity	120-150KG/H	220-260KG/H	500-600KG/H	

The main extruder adopts frequency speed controlling with high automation.

The screws are made of the stainless steel and special craft, which has the advantage of durable usage, high pressure, and longer life.

The forced lubrication system, which can guarantee the equipment transmission life longer.

Auto-temperature control system and self-cleaning, which makes it more convenient.

It has the widest range of applications and can produce different products with different equipment and models.
