

Product Name :
Fish Feed Manufacturing Equipment

Product Code :
EQMH-CHINA-MY3001044

Description :

Fish Feed Manufacturing Equipment

Technical Specification :

All the motors we use is the Motor which can bring stronger power to make good quality feed.
The final fish feeds have unique shape and good taste, high nutrition and smooth textures.
For feeds of fish and shrimp, the floating time in water can be adjusted by the extrusion degree adjustment.
This dry type floating fish feed machine is an ideal for small and medium fish farm holders or feed processing plant.
Finished feeds diameter is 0.9-12 mm.

Installed Power (kw)	Power Consumption (kw)	Capacity(kg/h)
74	52	120-180
95	70	200-300
110	82	250-400
139	104	400-800
132	75	800-1200
165	90	1500-2000
469	380	2000-2500
712	570	3000-3500
