

**Product Name :**  
Fish Feed Production Machine

**Product Code :**  
EQMH-CHINA-MY3001048

**Description :**

Fish Feed Production Machine

**Technical Specification :**

Floating fish feed pellet making machine also can be called floating fish feed extruder machine, dog food making machine, machine can be used for making the sea animal feed also the ploultry animal ofood and also the animal pet food, can be driven by electric motor or diesel engine for your convenient use. and for the machine we can also make the fish feed extruder production line with crusher machine, mixer machine, pellet machine, dryer machine, flavor machine and packing machine, to make more convenient machine working.

Installed power	Consumption	Output
70kw	40kw/h	100-150kg/h
90kw	50kw/h	200-240kg/h
120kw	100kw/h	400-500kg/h
135kw	100kw/h	800-1200kg/h
150kw	130kg/h	2000-3000kg/h
