

CRANE

Construction 12 Ton Truck Crane Tier-4 Tier-5

PRODUCT CODE	CATEGORY	ORIGIN
EQMH-CHINA-MY3172521	Crane	China, exported worldwide

Description

The 12 tonne truck crane in Tier 4 or Tier 5 emission specification, for markets that enforce emission standards on imported plant. Confirming the tier before order matters because it cannot be changed afterwards without replacing the engine and aftertreatment. Beyond the engine, the crane is configured to the buyer's own schedule: boom, jib, outriggers, load indication and cab all follow from the lifting work.

Technical specification

Rated lifting capacity: 12 tonne Emission tier: Tier 4 / Tier 5 Carrier: Truck mounted Build: Manufactured to the specification supplied with the enquiry or tender

Request a quotation

Send your capacity, voltage and destination port and we will reply with drawings, a price and a lead time within one working day.
