

CRANE

Construction 55 Ton Truck Crane Tier-3

PRODUCT CODE	CATEGORY	ORIGIN
EQMH-CHINA-MY3172530	Crane	China, exported worldwide

Description

The 55 tonne truck crane specified to Tier 3. At this capacity the machine is normally destined for infrastructure and industrial projects where it will run for years, so the emission tier has to match what the local fuel supply can sustain over that period rather than what is current at purchase. Lifting configuration is set separately against the project's lift schedule and built to it.

Technical specification

Rated lifting capacity: 55 tonne Emission tier: Tier 3 Carrier: Truck mounted Build: Manufactured to the specification supplied with the enquiry or tender

Request a quotation

Send your capacity, voltage and destination port and we will reply with drawings, a price and a lead time within one working day.
