

MUNICIPAL AND SPECIAL VEHICLE

Construction 13m3 Garbage Compactor Trucks

PRODUCT CODE	CATEGORY	ORIGIN
EQMH-CHINA-MY3172571	Municipal and Special Vehicle	China, exported worldwide

Description

A 13 m³ compactor truck covers larger urban rounds and commercial collection, where the containers are bigger and fewer than on a residential route. Commercial work usually means a different lifter and a stronger body, because commercial waste includes material that residential compaction bodies are not built to take. State the waste stream and we build to it.

Technical specification

Body volume: 13 m³ Configuration: Compaction body Build: Manufactured to the specification supplied with the enquiry or tender
