

MUNICIPAL AND SPECIAL VEHICLE

Construction 20m3 Garbage Compactor Trucks

PRODUCT CODE	CATEGORY	ORIGIN
EQMH-CHINA-MY3172579	Municipal and Special Vehicle	China, exported worldwide

Description

A 20 m³ compactor truck is the largest collection body in common municipal use, specified for long routes, commercial collection and transfer haulage where the vehicle travels a distance between the round and the disposal point. At this size the chassis specification matters as much as the body: axle configuration, suspension and braking all have to suit a vehicle that spends much of its shift loaded and on the road.

Technical specification

Body volume: 20 m³ Configuration: Compaction body Build: Manufactured to the specification supplied with the enquiry or tender
