EQMH-CHINA-MY3002021

**Description :**

Pet Food Making Machine

**Technical Specification :**

This is complete Pet food making machine line for dog food, cat food and fish food pellets.  
The machine material is Stainless Steel.

Our processing line adopt international advanced technology, the pellets size are very even.  
We can adjust the cutter speed and the dies to get the different diameter and the length product  
The Electric heating device system can control the temperature accurately  
High temperature and high pressure can kill the salmonellosis and bacterial infections.  
This line can produce high-protein pet food and fish feed.  
The processing line can produce both floating and sinking fish feed.
