

**Product Name :**  
Dog Food Plant

**Product Code :**  
EQMH-CHINA-MY3002026

**Description :**

Dog Food Plant

**Technical Specification :**

- Machine shield : 201 sus / 304 sus as required
- Parts contact with food : 201 ss / 304 ss as required
- Screw / barrel and cutter of the extruder : special alloy to bear high temp and pressure
- Main motor
- Touch screen
- Miniature circuit breaker
- Alternating current contactor
- Thermal Relay
- Moulded case circuit brake
- Small relay
- Inverter
- PLC system

Installed Power(Kw)	Power Consumption?Kw?	Capacity (Kg/H)
74	52	120-180
95	70	200-300
110	82	250-400
139	104	400-800
132	75	800-1200
