

**Product Name :**  
Dog Food Press Machine

**Product Code :**  
EQMH-CHINA-MY3002037

**Description :**

Dog Food Press Machine

**Technical Specification :**

The raw material of extruder machine is Stainless Steel.

Our dry dog food making machine are controled by frequency changer, it is easy to operate.

Our factory will send our engineer to install machines for you.

Dog food press machine have the 12 months guarantee time.

This dry Dog food press machine is multi-function. Many types of snacks can be manufactured by changing the die head and model.

Voltage in China: Three phases: 380V/50Hz, Single phase: 220V/50Hz, we can make it according to customers' Local voltage according to different countries.

High work efficiency, automation degree, materials usage, application range.

Low land occupation, power consumption, labor cost, waste rate.

Various configurations and capacity choices.

Various finished products (such as dog food, cat food, fish feed).

Production factors can be quantified and controlled.

World-class food grade fittings.

Professional pre-sale, sale and after-sale service.

Capacity (kg/h)	Installed Power (kw)	Actual Power (kw)
100-150	74	52
200-250	105	75
300-500	205	150

---

800-1000	132	80
1000-1500	165	106
2000-2500	226	140
