

Product Name :
Dog Food Processing Machine

Product Code :
EQMH-CHINA-MY3002062

Description :

Dog Food Processing Machine

Technical Specification :

Dog food processing machine is suitable to make dry animal food pellet (dog, cat, bird, monkey, rabbit etc.)

Installed Power	Real consumption	Output
80kw	56kw	120-150kg/hour
128kw	90kw	200-250kg/hour
175kw	123kw	500-700kg/hour

Flour Mixer Dog Food Processing Machine Configuration:

Twin-screw extruder

Air Conveyor

Multilayer Oven(Electricity dryer)

Big conveyer

Coating line
