

SOLAR BATTERIES

12v Battery

PRODUCT CODE	CATEGORY	ORIGIN
EQMH-CHINA-MY3240007	Solar Batteries	China, exported worldwide

Description

12v Battery

Technical specification

High-strength ABS plastic battery slot and cover, compact structure. good resistance.
Special lead-based multi-alloy grid, with small internal resistance and corrosion resistance.
good opacity, strong charge acceptance.
New electrode plate manufacturing process, high utilization rate of active materials.
Multi-layer sealing technology and special sealing glue ensure no leakage, no acid mist.
For telecommunication: car phones, mobile telephone systems, portable radio transmitters and portable terminals.
For survey and medical service: Portable measuring instrument, sphygmomanometer, electrically operated wheelchair.
For office: universal UPS, office computers, computer terminals and DOS operation system.
For communication: key pad telephone, PHS relay stations, telephone exchanges, cable TV and fiber-optic communications equipment
For security: burglar alarm system and abnormal alarm system.
For industrial use: emergency lighting system.

Request a quotation

Send your capacity, voltage and destination port and we will reply with drawings, a price and a lead time within one working day.
