

Product Name :
Breakfast Cereal Production Line

Product Code :
EQMH-CHINA-MY3003019

Description :

Breakfast Cereal Production Line

Technical Specification :

The main extruder adopts frequency speed controlling with high automation.

The screws are made of the stainless steel and special craft, which has the advantage of durable usage, high pressure, and longer life.

The forced lubrication system, which can guarantee the equipment transmission life longer.

Auto-temperature control system and self-cleaning, which makes it more convenient.

It has the widest range of applications and can produce different products with different equipment and models.

Install Power	Real Power	Capacity
130KW	90KW	100-120kg/h
150KW	105KW	140-160kg/h
210KW	150KW	300-320kg/h
