

CONCRETE PIPE MAKING MACHINE

Electric Concrete Pole Making Machine

PRODUCT CODE	CATEGORY	ORIGIN
EQMH-CHINA-MY3292007	Concrete Pipe Making Machine	China, exported worldwide

Description

Electric Concrete Pole Making Machine

Technical specification

Prestressed electric concrete pole making machine is able to be designed and customized for special requirement locally, used for production of pre-stressed and reinforce concrete spun poles for power transmission line. A complete production line consists of following equipments:

- Concrete mixing machine
- Steel cage forming machine
- Concrete distribution machine
- Steel bar tensioning machine
- Hoisting and conveying tools
- Steam curing system
- Concrete pole testing equipment

Request a quotation

Send your capacity, voltage and destination port and we will reply with drawings, a price and a lead time within one working day.
