

CONCRETE BLOCK MAKING PRODUCTION LINE

Front Feed Drawer Unit

PRODUCT CODE	CATEGORY	ORIGIN
EQMH-CHINA-MY3294043	Concrete Block Making Production Line	China, exported worldwide

Description

Front Feed Drawer Unit

Technical specification

Front feed drawer unit will help someone who has block machine to produce color pavers and reduce the overall mixing cost, we designed this equipment in manual and automatic. If by manual, Customer need a small pan mixer to mix pigment material before putting into drawer, when comes to automation, the colored material are transferred by conveyor belt to the top of hopper and discharge. Of course customers can apply various colors and fine aggregate to facing layer of concrete pavers, no need to throughout just improve the exposed surface appearance.

Overall Size: 2400*1800*2150mm

Weight: 1.6T

Capacity:0.4 m3

Pneumatic pressure:0.5-0.8kpa

Hydraulic pressure:14-20mpa
