

Product Name :
Mini Peanut Roasting Machine

Product Code :
EQMH-CHINA-MY3016021

Description :

Mini Peanut Roasting Machine

Technical Specification :

Small Size Peanut Roasting Machine Application

This small size peanut roasting machine is suitable for roasting all kinds of seeds, nuts, and spices, such as coffee beans, chestnut, peanut, melon seeds, walnut, sesame, soya bean, hazel, pine nuts, etc.

Mini Peanut Roasting Equipment Highlights

Small size makes it cover little space and easy to move.

Geared with four wheels, this small size peanut roasting machine is flexible and easy to move anywhere.

The small size nut roaster ensures a uniform heating of roasted nuts.

No pollution, little noise and energy-saving.

Widely used in small shops and nut processing plants.

Capacity: 30-40kg/h

Power source: 0.75kw
