

**Product Name :**  
Pasta Making Machine

**Product Code :**  
EQMH-CHINA-MY3004011

**Description :**

Pasta Making Machine

**Technical Specification :**

High automatic degree , all machines just need 2 worker for operation.  
Wide range raw material . Not only semolina flours, but also wheat flour is ok.  
Various shapes of macaroni food could be processed just by changing the mold.  
Intelligent electric heating device is adopted which can control the temperature easily.

Install Power	110KW	180KW
Consumption Power	77KW	126KW
Output	120-150KG/H	220-250KG/H
