

Product Name :
Floating Fish Feed Pellet Granulator Machine

Product Code :
EQMH-CHINA-MY3006005

Description :

Floating Fish Feed Pellet Granulator Machine

Technical Specification :

Advantages:

We will provide 5 sets molds and one whole set of spare wear for you free of charge.

Guarantee time is 1.5 years.

Tell me the animal you want to feed,the capacity per hour,the material you have,I will provide the least price.

CE certification with our machines.

I am always here for you.

We have the full production line,

Equipment	Remarks
Hammer Crusher	<ol style="list-style-type: none"> 1. Motor: 5.5KW; 2. Dimension: 1400*700*950 mm 3. Dedusting Bin: 1.75KW + 1.75KW 4. Silo Volume: 0.5CBM
Vertical Mixer	<ol style="list-style-type: none"> 1. Motor: 4KW 2. Capacity: 25kg/batch;10-15mins per batch
Screw Conveyor	<ol style="list-style-type: none"> 1. Motor: 1.5KW 2. Screw length: 3m
Fish Feed Extruder	<ol style="list-style-type: none"> 1. Main Motor: 15KW 2. Feeding power: 0.4KW

Pneumatic conveyor	3. Cutting power: 0.4KW 1. Fan power: 2.2KW 2. Unloader power: 0.75KW
Fish Feed Dryer	1. Heating Power: 15KW 2. Belt Power: 1.5kw 3. Fan Power: 0.37KW
Octagonal Mixer	1. Main power: 0.75kw 2. oil pump power: 0.37kw 3. Capacity: 25kg/batch; 4-5 mins per batch
Controller	1. Control all the above equipments
