

Product Name :
Insect BSF Larvae Deep Drying Machine Maggot Worms
Dryer

Product Code :
EQMH-CHINA-MY3007002

Description :

Insect BSF Larvae Deep Drying Machine Maggot Worms Dryer

Technical Specification :

Feeding System
Vibratory Hopper: Gentle material input
Automatic Spreader: Even distribution on conveyor
Pre-Dewatering Unit (Optional): Removes surface moisture

Multi-Zone Drying Tunnel
Pre-Heating Section (50-60°C): Gradual temperature rise
Core Drying Section (70-80°C): Deep moisture removal
Final Conditioning (45-50°C): Moisture equilibrium
